**No. 10-Pol(2)|48.**—In addition to the countries of North and South Americas and Philippines, the currencies of the following countries are also considered to be hard :—

Sweden, Switzerland, Belgium and Belgian Colonies, Portugal and Portuguese Colonies (other than Portuguese India) and Japan.

2. Separate arrangements have already been announced for licensing of imports from Japan. Regarding the other hard currency countries, it has now been decided :—

- (1) that no licences will be issued for imports from these countries for those articles which are not licensed for imports from dollar areas; and
- (2) that for those items for which licences are issued freely from non-dollar areas but on quota basis from dollar areas licences for imports from these hard currency countries will also be issued

on quota basis, the quota percentage adopted in such cases being the same as for dollar countries.

8. These decisions are subject to the following exceptions :—

- (1) Imports of cork from Portugal will be licensed as per quota percentage fixed for non-dollar imports.
- (2) Imports of sheet and plate glass from Belgium will be licensed on quota prescribed for non-dollar imports.
- (3) Writing and printing paper will be licensed from Sweden on basis of non-dollar quota.
- (4) Cashewnuts will continue to be licensed freely from Portuguese East Africa.
- (5) Clocks and watches will be licensed from Switzerland, but the quota percentage is reduced from 66-2/3 per cent. to 40 per cent.
- (6) Quota for essential oils for dollar imports is reduced from 50 per cent. to 25 per cent.
- (7) Licences will also issue for Boards and Builder's hardware (Pt. V, 45A and 63 of the Import Trade Control schedule) and boiler packing (Pt. II, 7B and 7C of the Import Trade Control Schedule) from these hard currency countries.

4. A list of items which are licensed freely from dollar areas has been published in appendix 'A' to the Public Notice dated the 12th December, 1947 issued in the Government of India Gazette Extraordinary of the 12th December, 1947. A list of items which will be licensed from dollar areas, but subject to monetary ceilings is appended to this notice.
